To Whom It May Concern:

The Publishers Association of the South is a publishing trade association and I am *the only paid staff member*.

The officers that are listed are association officers; however, they are not authorized to sign any contracts or other related association business. I am bonded and am in charge of all financial operations for the association.

If you will note, I signed in several places and at the bottom of the page, and I put that I was the Association Executive at the bottom. In addition, I signed the check for the filing charge.

This has not been a problem in the past. When I just called your office, I spoke with a "Scott" who informed me to "just sign the form again and resubmit." This does not make sense to me, but I have done as he recommended.

Please file this report as soon as possible.

Sincerely,

Patricia G. Sabiston
Association Executive of the Publishers Association of the South

Please advise, in writing, when
