To whom it may concern:

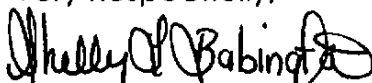

Please find enclosed our (4) corporate annual reports with the annual regulatory filing fee. Our fee payments do not include the late fee and we ask at this time that we receive a good faith/merit reprieve or waiver of the late fee(s) based on the following information:

My name is Shelly L. Babington and I am the new Administrative Bookkeeper for Mr. and Mrs. Paul L. Curtis. I handle and administrate the accounting for their companies as follows: The Curtis Group, Inc., Westover Reserve, Inc., Paul Curtis Properties on behalf of Lake Sherwood hills, Inc., and Paul Curtis Realty, Inc. I began my employment here in July of 1998 and found that the bookkeeping system was in total disarray. **I did not find any record where we received the first notice for filing of the corporations.** It seems that my predecessor did not, among other things, complete the following:

- File any of the required tax returns
- Balance any of the bank accounts
- Enter any of the appropriate data into the accounting programs in order to complete regular returns to various governmental agencies

The list of incomplete tasks and erroneous data in need of research and correction has been endless. Among these items, of course, were the annual report filings with the \$150.00 yearly fee as required; which we JUST RECENTLY discovered not to have been filed, based on the fact that **we just received the second notice.** We have no record of ever receiving the first notice for \$150.00. In addition, we immediately called and your records will show that our past history of timely payments and filings has been exemplary. It is based on our circumstances, coupled with our past record of good faith and merit, and that we have no record of ever receiving the first notices that we ask for a waiver of penalties assessed. Your consideration and attention to this matter is most appreciated.

Very Respectfully,

Shelly L. Babington
