Annual Report Payment

Dear Mr. Toner,

Pursuant to conversations with Chris Collins, I am refiling my Annual Report for Brasher Consulting, Inc. Enclosed is the Payment Voucher and my check for \$150.00. I have also attached copies of documents to support the timeline of my previous payment, which was mailed on February 7, 2012. I knew that there would be extra time required by your department to process a payment by check. When I received my bank statement in April, I saw that my check had not been presented to my bank for clearance and I then went online to Sunbiz to check the status of the corporation. When I pulled up the information online it indicated a "Pending Status" and I took that to mean that your department was waiting on clearance of the check and thought nothing more of it. It wasn't until June 11, 2012 that I received an email indicating that the payment had not been received and I would have to pay the penalty amount.

I used a credit card for my other three corporations and received my confirmations quickly. I will also handle this corporation's future payments by credit card to avoid this problem. I appreciate and thank you for your understanding and cooperation in this matter and want to also thank Chris Collins in your department for his help and courtesy.

Sincerely,
Brasher Consulting, Inc.

C. John Brasher
