Re: Turn of the Century Productions

When I received your new post card for this years renewal I immediately sent it to you for a hard copy report. I did not feel comfortable registering online and making payment. I called last month and reported that we had not received our report and was told one would be sent out. I left on a business trip July 1, and had still not received the report. I just returned to Tampa and am sending in the report. I do not feel that we should be charged for something that we could not control. The gentleman in your office agreed with me and told me to include a note with our filing. We would have never filed late to incur a 400.00 late fee. I know we are all looking for ways to make things easier but this new process needs to be fine tuned a little more.
