Re: Annual Corporation Report for:
G53568 Occupational Health Conservation, Inc.
P95000093536 OHC-University Extension, Inc.

To whom it may concern:

Enclosed is the 2000 yearly Corporation filing fee of \$150.00 plus certificate of Status Fee for each for the corporations listed above.

The accounts payable department, which handles both of these companies, is instructed to pay these fees prior to their due date which can be verified by looking at the history of payments for both entities. We never received the original reports to be paid in May for either company, which leads us to believe that something may have happened connected to the Post Office delivering these reports. We had a local U.S. post office building burned to the ground this year and maybe this is the reason that the reports were never delivered.

This will be a learning experience for us in the future not to rely solely in the timely delivery of these reports but to alert us when we do not receive them, in order to call and request them from you.

I sincerely apologize and request your understanding in this matter by waiving the penalties due, since due to the size of these companies they represent a considerably sizable amount.

Sincerely,

A handwritten signature in dark ink, appearing to read "James F. Rizk".

James F. Rizk
President/Director
