To Whom It May Concern:

As per our phone conversation with your office, we are writing you this letter to ask you to please consider waiving the penalty fee for the reinstatement of Paltec as a Florida Corporation. Enclosed is the check for \$150.00 that we were instructed to send with the report.

The local post office has made several address changes in the past year. Our address was changed and we did not receive either the original or the second notice of the filing report. Fortunately, we did receive the Notice of Administrative Dissolution that made us aware that the filing had not been completed this year. If you would review our records, I believe you will find that we have always filed on time for the past 18 years.

Your consideration in this matter would be greatly appreciated.

Thank you,

amette Wratt

President
