Dear Sir/Madam: RE: G63759

The Annual Report for the above listed Florida Corporation was fraudulently amended on March 20, 2023, adding an unknown person as an officer of the corporation. We were notified by Shaun Cassidy (646-656-1404), claiming to be from Verizon, that an individual was attempting to open an account under our corporate name, providing the fraudulently amended Certificate of Status.

Immediately calling the Division of Corporations, we were instructed to amend our annual report, deleting the fraudulently added officer. Upon our immediate attempt, the Division of Corporations system blocked that change, indicating that only one amendment per day is permitted. The fraudulent amendment was filed, March 20, the same day we had tried to amend. We did successfully amend today, March 21, 2023, as your records will now show.

Please accept this required notarized correspondence attesting our Annual Report filed on January 25, 2023, is correct and the amended Report filed on March 20, 2023, is fraudulent.

Thank you.

Sincerely,

Richard F. Stevens, Jr. STD
