Sir/Madam;

On April 07, 2008, I mailed Check # 9531 for \$1,428.75 for the 2008 Annual Reports for the above companies. I weighed the envelope and my postage meter indicated it was 0.58 cents to mail. I got it back on April 16, 2008 indicating that there was an additional 0.56cents due which I added and mailed back.. I received the envelope back on May 05, 2008 even after I had added the additional 0.56 cents the Post Office required(the original envelope is enclosed with this letter showing the dates and amounts due). I will personally go the Post Office today to mail this and I expect an explanation from them on why this occurred.

In the meantime, I don't think we should be penalized the extra fee that is assessed after May 01, 2008. We have complied with the Division of Corporations and getting it mailed in time and also with the Post Office with their additional postage.
