RE: 2019 FLORIDA PROFIT CORPORATION ANNUAL REPORT

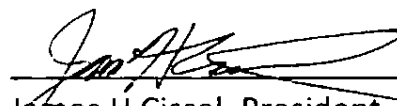

MANNING BUILDING SUPPLIES, INC.

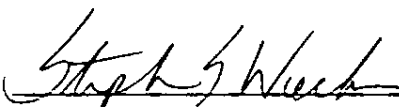

100324891051

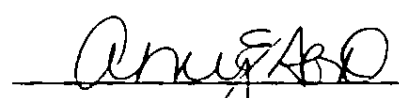

This Statement of Fact is intended to notify the State of Florida, Division of Corporations, that on 2/12/19, on or around 11:21am, the 2019 Florida Profit Corporation Annual Report for Manning Building Supplies, Inc. (H12041) was filed fraudulently without the knowledge or consent of the corporation or the corporation's officers or registered agent.

In addition to the filing of the Annual Report, changes were fraudulently made to one of the officers of record. The officer currently listed as "COMPTROLLER" and "POOLE, JEREMIAH JAMES" is not known to Manning Building Supplies, Inc. nor is he known to any of the corporation's officers or registered agent. That officer should read as it has in the past, "PRESIDENT" and "CISSEL, JAMES H IV" as that is our correct statement of officer detail.

Furthermore, the Annual Report was electronically signed by James Cissel as Chairman. This statement is to notice the State of Florida, Division of Corporations, that James Cissel did not electronically sign this Annual Report and someone fraudulently executed this document in his name.
