Re: 2001 Uniform Business Reports

Upon receiving the enclosed letters for the two corporation #H48564 & # P00000053447 I immediately called your office. I was informed that the reason no consideration was given to the circumstance I described in my letter (attached to the annual report) was that the office that received the letter was just a processing station and was not in a position to evaluate the situation. I am therefore once again enclosing the letter for your consideration.

I would hope that the failure of our mail system to deliver these documents would not prove to be a cause for penalty in that the current penalty would pose an enormous financial burden on our already struggling organizations.

Thank you,

Jeffrey H. Kamm
