14. The Board is of the view that the information supplied with this filing is substantially true and correct and that, for the reasons stated herein, the Board should not find that the information is misleading. The primary report is a supplemental annual report of a firm and is complete and that any apparent omissions are the same as omissions that have occurred in other forms of this company or the record of another company. It is noted that the report is required by Chapter 100, Florida Statutes, and that any further attempt to block the release of this information is an effort to obstruct justice.
