Gentlemen:

Enclosed is a substitute form for Corporation Filing. I had to request this when the original could not be found and I questioned whether I received it. By this time I thought one is normally filed, however it did not occur to me until half way through the month of May that the usual due date had come and gone and I still did not have the form.

When I realised this I called the State to request another form so that we could file. We were told that we should write a letter of explanation and pay the normal fee as it was admitted by your office that sometimes these forms never reach their destinations.

If you were to check our records, you will see we have a perfect record on filing on time. ~~This is one of those cases that was simply slipped through the cracks~~ and was in no way a deliberate attempt to avoid or delay paying this important fee.

We very much hope you will not bill us for the late fee since it was not deliberate which is the reason these fees are assessed. I hope our perfect record will mean something to you.

Thank you for your cooperation in sending me this form and advising us our recourse to you in this matter.

Very truly yours,

*Janice C. Krizman*

Janice C. Krizman  
Vice President
