To Whom It May Concern,

October 24, 1997

On October 24, 1997 we received a Notice of Administrative Dissolution or Revocation form from the Florida Dept. of State. We were completely shocked by this since our records indicate we not only timely filed, but we filed right after the 1st of January, 1997. I pulled our business records and they indicate we wrote the check and mailed the first Profit Corporation Annual Report on January 3, 1997. The enclosed records indicate we wrote the check, yet it was never cashed through our bank. In exasperation, I called the phone number listed for filing questions and I reached a lady named Stacy who proceeded to explain to me that during the time frame our information would have arrived there was a "glitch" in the system in your office and several of the Corporation Reports got damaged beyond all recognition. She explained this is why your office never contacted anyone to let them know there was a problem. She further explained if I wrote this letter of explanation and enclosed a check for the original filing fee, the situation would be resolved to everyone's satisfaction. I will be willing to forgive you guys for giving me a nervous breakdown and almost losing my job if you will please call me when you receive this letter and the filing is complete and correct. I would really appreciate this because all I can do otherwise is wait until the cancelled check comes back and I'd really rather not do that. I can be reached at (954)-561-4741 Monday through Friday during regular business hours. Please call also if you have any further questions concerning this matter.

Sincerely,

Robert G. Hollingsworth
William S. Pifer
