Dear Mr. Hunt,

On Monday, April 25<sup>th</sup>, our on-site mailbox was robbed. Coincidentally, Robert D. Storm was able to *freely access* our annual report and changed our Federal Tax ID number, our address, all officers, and our registered agent. Robert D. Storm is not known to us, is not an employee and most certainly was *not* authorized to make any changes to our corporate annual report.

Robert D. Storm, probably not his real name, is a thief! He attempted to use our corporate name to open a bank account. On Tuesday, April 26<sup>th</sup>, Robert D. Stone *again* accessed and amended our annual report. As you are aware, there is only one amendment allowed in a 24-hour period, making it impossible for me to change/correct the report.

Please only allow the following corporate officers to make changes to our annual report:

Christopher A. Harris, President  
Shawn M. Nelson, Vice President  
Ronald W. Harris, Chairman  
Jami K. Wood, Sec/Treas

Also, I would like to express my deepest concerns over the lack of security on Sunbiz.org. Why not add passwords?!

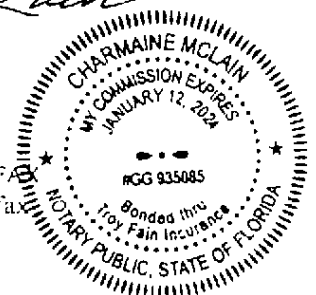

Sincerely,

R.W. Harris, Inc.

Jami K. Wood  
Sec/Treas.
