To Whom It May Concern:

As per my telephone conversation today with your department I am re submitting my Uniform Business Report for 2002.

I found out that the original documents which where submitted on April 9, 2002 had never been recorded. I do not understand why this to happen since the report was delivered to your office in the same envelope with others which where in-fact recorded and the check which was affixed to it was presented for payment at the bank.

I have know confirmed the check for this filing was not check and have issued a stop payment order for the original check, which order I have enclosed for your recorded.

Please correct your records accordingly. Your prompt help in this matter is greatly appreciated as for we would like to have our public record status reinstated.

If you have any further questions or need any other forms from me please feel free to call me at 407-933-0023.

Sincerely,

Armando Gonzalez Vice President
