Re:

To whom it may concern,

Please find enclosed the 2000 Uniform Business Report for the above corporation. The president of the corporation, Dr. Selzer, has indicated that he did timely mail his report. Please see his letter enclosed. Apparently, the original report was never received by your office and he did not realize that the check was outstanding.

For the above reason we request that you consider abating the penalties associated with the late filing of the report. The corporation does not have a history of filing its reports late and has responded to the discovery of not having filed in a very quick manner.

If you need any further information to resolve this matter please do not hesitate to contact myself or the taxpayer.

Sincerely,

John Costello, CPA
