Re: 1997 Profit Corporation Annual Report

Dear Division of Corporations / Annual Reports Section:

I was somewhat shocked to find your "2nd Notice" in the Company mail box yesterday, since to my knowledge I had never received this year's original form. During the past 11 years from the date of our incorporation, we have never been late with an annual filing, and while not wishing to cast further stones at the beleaguered Post Office Department, it is inconceivable to me that I would have overlooked or somehow thrown out such an important document. We were out of town for a few days in mid May and a little over a week in early June, which as frequently happens overloads our small mail box, causing the local branch Post Office to bundle and stack it elsewhere until I am available to pick it up. Sometimes it's difficult for them to find where they've put it, a recent example of which occurred when we received well after the 4th of July a handful of mail, some with local postmarks, dated on or about June 11th.

I have no proof that the above scenario actually took place in the case of the original filing form and am merely suggesting the possibility, but it is my hope that you will take pity on our tiny "mom and pop" operation and accept the enclosed corporate check #1115 in the amount of \$165.00 as payment for this year's Annual Report Filing. Thank you for your kind consideration.

Sincerely yours,

Bayard V. Robb

President
