To: Florida Dept of State
Division of Corporations

Last year I did not receive my notice for my corporation renewal for my corporation because the people at the address where it was sent did not either send back to the state or to me. Last year I paid the late fee and made the changes on the forms I sent back to the state with my payment. I thought the change was ~~at~~ as it did away with the wrong address because the old address was no where on the form.

This year the people sent my late notice to me. They did not send the original form. I assumed that the correction had been made at this office with my correct address. Early this year I had major surgery for cancer and to remember this tax - well I just didn't.

You can check your records that I haven't been late on this form as long as I have the notice so I can pay this fee.

I am asking that you please waive the late fee.

Thank you.
