Annual Reports Filings
Division of Corporations
PO Box 6327
Tallahassee, FL 32314

January 2, 1998

To whom it concerns,

This corporation was dissolved because the renewal was not sent in. This is because it was not received by our accountant. It was not forwarded to him since he changed suites in the same building. I spoke to someone in your office and they said they would waive the reinstatement fee this time since the application was returned to you and not delivered to us.

In the future send the filing application to the above address and we will give it to our accountant for filing. Hopefully you have everything needed to file now because we are applying for fictitious name registration to get another business started as soon as we can. Thank you for your cooperation in this matter.

Signed

Robert Stubbs, Pres
