Re: Stokley's Pecan Inc.

Dear Sirs:

We are writing this letter to respectfully request the abatement of the severe penalty of \$400.00 which was assessed for the late filing of the corporate renewal fee for Stokley's Pecan, Inc.

The corporation is in a rural community and their business consists of the planting and harvesting of pecans. Spring is a critical time for this business and the owner's are working long hours in order to get the crop planted. This operation is a small family-run operation where the owner, his wife and his son all work in the business. Due to abnormal weather conditions, planting required extremely long days over an extended period of time. The owner and his wife had to split some of the office tasks due to lack of time and each one was SURE the other had filed and paid the corporate renewal.

This corporation has always been conscientious in paying the renewal fee on a timely basis. It would be an extreme hardship for this small business to have to pay an additional \$400.00 for this honest mistake.

We appreciate your consideration in abating this penalty.

Sincerely;

Barbara H. Clements
