South Florida Security Systems, Inc. has not been conducting active business since 1997. This has occurred in part because I, Carlos Fojo suffered a knee injury that required surgery. I was left for approximately two years without being able to actively work in the business. I had to let go of my servicing crew due to the financial constraints that the injury and failing economy has brought about.

Recently, I sent a check that was returned, and during that time I misplaced the documents; however, today I received a set of documents and I was able to obtain the necessary money to cover for the original check that was sent out. I am asking for your consideration in accepting this bank check to cover the fees for the corporate documents.

I thank you for your patience and understanding to my circumstances.

Respectfully,

Carlos Fojo
President
