Dear Sirs:

We have recently been notified that our corporation has been dissolved, due to not filing our annual report. We were not notified about this until now. We have always complied to filing our reports in the past and would have filed for 1998, but we did not receive any notice from the state or from our bookkeeper concerning this status of our corporation.

We did not receive the first notice concerning this matter. We feel that this may have been a problem with the mail or an oversight from the state in mailing the notice to our company.

We respectfully ask that you please waive the reinstatement fee this one time. We are a small company and this would create a problem for us at this time. We spoke to one of your specialist "Tyrone" and he said that we should send in our filing fees of \$300.00, for 1998 and 1999 to bring our corporation to current status. All information about our corporation remains the same except for our address, which is corrected on the enclosed application.

Sincerely yours,

Edward T. English
Director/President
