Re: Uniform Business Report

To Whom It May Concern:

I have spoken to a representative at your office and told her that we had not received the first form due in May and did not realize that we were late. I have filed late before, and paid the penalty because it was my fault... I had received the reports, but not filed them not realizing how much the penalty was. I am a one-person company and the shock of paying that penalty made me quite aware that this report needed to be paid in a timely manner in the future. I assure you that we did not receive the first report request.

The representative said to send in this letter and a check for the original fee and you may process it without penalty.

Thank you for your consideration in this matter.

Sincerely,

  
Roger E. Dehus
