Sirs,

When our company, Flynnco, Inc., received a second notice to pay our Uniform Business Report we started to research what had happened to the first notice. We found it! It had been filed with past reports. This one, however, was filed in its entirety including the check. As you can see, the check was written in March of this year.

Our past record will show that Flynnco, Inc. usually pays all taxes and fees due promptly. I am respectfully requesting that our record be taken into account and that this oversight not be penalized. We are a small "mom and pop" business with eight employees. The difference in the payments is huge for us.

I am including the previous check and will wait for a response before forwarding the balance. Thank you for taking this matter into consideration.

Sincerely,

Janice LaVrar
