Sir or Madam;

I apologize for returning this filing late.. My name is Bonnie Donihi and I am asking for your assistance with this filing.

I have had Ovarian Cancer twice in previous years and the doctors believed that once again I had recurred with this insidious disease. I was operated on for the eight time, the good news is the doctor did not find any sign of cancer. Unfortunately a month later I had a heart attack, more time in the hospital but again good news after running several tests the Doctor did not see any reason to operate.

Most recently our attention was again diverted because of the hurricanes that came through Central Florida.

With health issues subsiding and the weather clearing, hopefully we are on track to have a fabulous selling year.

Thank you for your consideration concerning this matter. Please let us know if you have any further questions.

Sincerely,

Bonnie Donihi
