Dear Franco,

I am writing to you asking for your help regarding the filing of the Uniform Business Report for 2003 for Automated Engineering Corporation.

Automated Engineering Corporation has been in business for over 15 years and is a business in good standing with the state of Florida. These reports have always been filed in a timely manner in the past. Because of a clerical oversight the current years report is being filed eight days late.

I am hoping that since Automated Engineering Corporation has historically taken care of this filing in a timely manner you will waive the late penalty.

Your help in this situation is greatly appreciated.

Thank you,

Mariann Bailey, CEO
Automated Engineering Corp.
