Attention: Stacy Prather

I received your letter requesting me to be more specific as to why I did not receive the first notice. I truly wish I could be. The first time I realised it was not filed is when I received the second notice. I immediately called my accountant and he went through my file and said he had no record of having it. I would like to blame him for not filing it, but I can't be sure if I submitted it to him. I just don't remember. I don't know when these reports first go out and when I should have received it. I submit tax related notices to him each month.

I can tell you that since August of 1996, my mind has been on my family. My sister passed away on January 15, 1997 after an awful bout with cancer, and my mother passed away three months to the day on April 15 1997 from heart problems, my mother died in my home. I am not telling you this to obtain sympathy, but to make you understand what went on, and why I can't remember whether I ever received the first notice. I have no recollection of ever receiving it.

I panicked when I received the second notice stating I owed \$550.00. I called the 904 488-9000 phone number and spoke to a gentleman called Steve. I explained the situation and he told me to mail the report along with a check for \$165.00, which I did that same day.

I wish I could give you a direct answer as to why I didn't receive the first notice, but I can't. I hope this letter will enable you to understand and help me. I am resubmitting the report along with the check for \$165.00. If it is not to your satisfaction please call me at (813) 544-3975.

Sincerely

Janice McLoughlin
