RE: K27245
REQUEST TO REINSTATE

Plantation Construction Inc. is in receipt of your letter of December 28, 2001, along with our firm's application for re-instatement. Plantation Construction finds exception to the contents of the December 28th letter.

Plantation Construction Inc. found out in December 2001, that the State of Florida had administratively dissolved the firm due to Plantation's failure to file it's 1999 corporate annual report. Upon telephone contact with the Division of Corporations, Plantation Construction was informed of the procedures to re-instate by the state and was furnished the proper forms to submit by the state. The telephone contact indicated that due to my two (2) near fatal traffic accidents in 1999, and that I indicated I had not received the annual report notice, that Plantation was to submit the forms included herewith along with a check in the amount of \$450.00. Plantation Construction submitted the documentation along with the check on December 7, 2001.

I suffered two (2) traffic accidents in 1999. The first one left me with a fractured skull, a bleeder in the brain, a triple break in the tail bone. The second one left me with a broken neck and a spinal cord injury. My neck is now made up of steel plates, steel screws, and part of my hip. My office was basically closed for most of 1999 as I was unable to work. Records of these accidents can be obtained from Jackson Hospital located in Miami, Florida.

I had indicated this information during the course of the December telephone call to the State. The State informed me that this information along with the check and red

colored Corporation Reinstatement Form would allow for the State to reinstate Plantation Construction Inc.

I was told this afternoon, by the State, to resubmit the documentation enclosed herewith along with the letter and the State would reinstate Plantation Construction Inc.

Should you have any questions and or comments, please contact our offices at your earliest convenience as Plantation Construction Inc. wishes for it's reinstatement by the State to occur at the first opportunity.

Respectfully Yours,

Alan Keith Harris, President
