Re: Systems & More, Inc K29708  
FEI # 59-2945949

Recently we received a notice that our annual report had not been received and we would be cancelled in 60 days.

I am almost positive I sent in the report via online (internet) sometime in late February or March 2006. I remember trying to complete the form and kept getting a message that I had not signed the form. It took me a while to figure out that I had to type in my name. I thought that the credit card I used was our corporate VISA, also a debit card. I have gone back all the way to January and have been unable to find any payment to you, or deducted from our credit card or bank account.

I have also requested statements from some 15 other credit card accounts. At this point I am at a loss as to what happened.

We are enclosing a check for \$150.00 as we do not want to be "discontinued" and we are asking for a waiver of the late fee.

Somewhere in my office is a filed annual report form indicating the date that this was done via the internet, but I have been unable to find where I filed the form.

I also checked all my email accounts and have found nothing that came from your office verifying that you received my input.

Since this was the first time we tried to file via the internet, we are unaware of the process of filing. Do you send back a notice that it was received etc?

My email address is: [shel.symoreinc@verizon.net](mailto:shel.symoreinc@verizon.net) and [systemsandmoreinc@verizon.net](mailto:systemsandmoreinc@verizon.net)
