Re: Document #K33873  
Destin Racquet & Fitness Center

Dear Sirs:

I was pulling Income Tax Returns from my file for a financial institution and passed the "Corporate Returns" file and it occurred to me that I had not seen this years' return I pulled the file thinking I might have already filed it but could not locate a copy, nor did I locate it in our accounts payable. I asked my bookkeeper if she had seen it come in she said she had not seen the form.

If the form was sent, we did not receive the original or any late notices either. I have enclosed a copy of last years return and a check for \$150 for this years filing. I know the importance of filing these timely and would not take a chance on having to pay additional fees if I had received the return or late notices.

Respectfully,

*Bridget Carnley*
