To Whom It May Concern:

The person who is in charge to take care of our taxes had some family emergency, and went out of town for several weeks, at the time the person came back we found out that this report was due with a large amount of penalties. This employee has been working in our company for many years and since we opened this business we never had any problem (you can check your records) with late fees for any tax matter. Being this situation a special one, we called your office and they told me to include with my payment an explanatory letter about the situation. We don't want to pass the penalty to the employee, please let us know as soon as possible

If you have any questions, please feel free to call me at 407-870-0076.

Sincerely,

Robert W. Sipkema
President
