### Notice of New Employer Identification Number Assigned

Thank you for your Form SS-4, Application for Employer Identification Number (EIN). The number assigned to you is shown above. This number will be used to identify your business account and related tax returns and documents, even if you do not have employees.

Please keep a copy of this number in your permanent records. Use this number and your name, exactly as shown above, on all Federal tax forms that require this information, and refer to the number on all tax payments and tax-related correspondence or documents. Incomplete information or any variation used when filing tax returns, making FTD payments or subsequent payments may result in improper or delayed posting of payments to your account and/or the assignment of more than one EIN.

If your business is a partnership which must obtain prior approval for its tax year, the tax year you entered in Block 3 of your Form SS-4 does not establish a tax year. For guidance in determining if you must request prior approval and the method of doing so, see IRS Publication 538, Accounting Periods and Methods, available at most IRS offices.

Please note that the assignment of this number does not grant tax-exempt status to nonprofit organizations. Any organization (other than a private foundation) having annual gross receipts normally of not more than \$5,000 is exempt by statute if it meets the requirements of section 501(c)(3) of the Internal Revenue Code. These organizations are not required to file Form 1023 (Application for Recognition of Exemption) or file Form 990 (Return of Organization Exempt from Income Tax). However, if the organization wants to establish its exemption with the Internal Revenue Service and receive a ruling or determination letter recognizing its exempt status, it should file Form 1023 with the Key District Director. For details on how to apply for this exemption, see IRS Publication 157, Tax-Exempt Status for Your Organization, available at most IRS offices.

Thank you for your cooperation.
