RE: K's Family Pizzeria & Restaurant, Inc. #K56860

To Whom It May Concern,

I am the accountant for the above mentioned client. In March of 2002, we contacted the Department of State because my client did not receive his annual filing report. For some reason, his annual report was sent back, and we are not sure why, since the address was correct when we called Tallahassee. They said they would send another bank form immediately, before the May 1st due date. In late April of 2002, we again called and informed the Department of State that we have not received a blank form. We finally recieved a blank form on July 9th, after another phone call was made. We compained to the Department of State, that because of their error, we did not feel that we were liable for the \$550.00 fee. They advised us that we should send in this letter explaining the circustances, and that the \$150.00 fee would be accepted.

If you should have any questions, please feel free to contact me.

Thank you,

Salvatore J. Cossentino
