Re: K58896

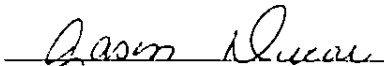

On 8/9/2024, we were notified by email (at arnettelectric1@aol.com) that a change had been made to our Sunbiz account.

This change was **not authorized** by Arnett Electric Inc. As the owner, I do not authorize the change in address and registered agent. The last filing we submitted on 2/2/24 is the correct information for this business.

I attached both the correct recent filing (2/2/24) and the unauthorized one (8/9/24). As of today, it will not allow another change as it only allows one a day. As soon as it will allow, we will change it back to the correct information. This business is in the process of closing so we will also be filing a dissolution soon. I do want it on record that the change in address to:

10481 N Kendall Dr STE D200A, Miami, FL 33176 is **incorrect and UNAUTHORIZED**.

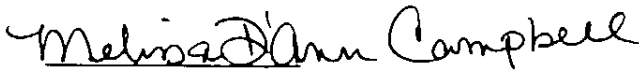

Please let me know if there are any other steps needed to get this resolved.

Jason Ducar
