To Whom it May Concern,

Please note that I have been in business in the state of Florida since 1976, and have never failed in filing Corporate Annual Report. This year we did not receive either the first mailing or the second mailing which should have informed us that report was not filed.

American Snack and Beverage has been in business since 1989 and I am sure if you check you will see that we have never been late in filing report and paying any fee that was due with report. While we cannot explain why we did not receive the form, we respectfully request that you waive any penalties in this matter. We fully understand our obligation under the law and would definitely have filed the form had we received them.

Thank you for your consideration in this matter.

Respectfully,

Al Hacker, President
