I mailed my check for \$158.75 on April 17th. 2007 for my fee plus certificate of status. I since have called your office many times stating that I have not seen the check clearing my bank. I was told that you were very behind and each time told to wait another week or two and call again that outside venders were behind. I just got off the phone again with your office and they said to write this letter requesting you to waive the penalty fee of \$550.00 and have the letter certified and mailed to the Clifton Building address instead of regular mail to the PO box as I did the first time. Also that when or if you receive my first check and it is deposited that I will be reimbursed so I am not paying twice. In the future I will send certified so this does not happen again.

Thank you;
