Dear Sir or Madam:

Enclosed is our check for \$150.00 for the 2000 Uniform Business Report that was due May 1, 2000.

When we realized that we had not sent in the report, I called your office about the late fees and we were told to submit a letter for the reasons why we were late.

The year 2000 has not been a good year for our family. Our 35-year-old niece, who has 2 young children, has breast cancer and is going through intense chemo and now radiation. She had a bone marrow transplant in April.

In February, I was going on a pilgrimage to Rome with a colleague and she had a heart attack and died the day before we were to leave and she was only 61.

My sister and her husband live in Okla. and her husband usually goes to the emergency room at least once a month and only by the grace of God he makes it through.

Don's sister has been going down hill and she died June 1<sup>st</sup>. So as you can see we have had other things on the mind and everything just got pushed back.

We would appreciate any considerations that you are able to do.

Thanking you in advance, I am

Sincerely,

Dorothy D Folker
