In a recent audit of our records we never received the original **2003 For Profit Corporation Uniform Business Report (UBR)**. Our company scans every piece of mail into a document imaging system and nowhere between the dates of 4/1/2003 and the date the enclosed report was mailed, we have no record or physical document that would be the original **UBR**.

Our company has been very busy opening new offices in two cities and has been hiring about 60 people since early April. The person that normally is responsible for working this report left us this year and the new office administrator was not familiar with this report until she questioned me while on summer vacation between 6/1/03 and 9/5/03 in Australia. Since I really never took care of this myself I told her to wait until I returned from my vacation. After getting caught up on everything it was not until about two weeks ago that after reviewing our document imaging system and reviewing 6 bank's statements for the last several months we are now certain that the check for \$150 + \$8.75 and the \$5.00 contribution to the Election Campaign totaling \$163.75 was not sent.

I am formally asking that due to these extenuating circumstances that you accept the payment as it should have been made back in March.

I would be grateful for your Assistance in this matter.

Sincerely,

Evan S. Antonoff, President
Techna Systems, Inc.
