RE: Boheca Services, LLC
Ref. #L01000003133

Dear Ms. Gardner:

Today, I received a copy of the Hotmail Message you sent to Ms. Rider dated September 29, 2003 concerning the above limited liability company. Ms. Rider is under the assumption that I represent Mr. Meeker and Boheca Services, LLC. I informed her that I do not and have never represented Mr. Meeker and Boheca Services, LLC. This company appears to be located in Spring Hill, Hernando County, Florida. I am located 30+ miles south in Clearwater, Pinellas County, Florida.

I performed a corporate search to find out why my name would be given by you to Ms. Rider for this company. The State's records indicate that a blank page containing only my name, address and phone number was filed on January 16, 2003 along with a Statement of Change of Registered Office or Registered Agent for this business entity. The printing of my name, address and (old area code) phone number is an exact copy of my speed filing memo form used years ago. The area code for Clearwater (now 727) was changed I believe in 2000. I do not know how your office came to file in January of this year a cut out from an obsolete speed memo form printed several years ago. I never authorized this filing. I am not and never was an officer, a member, scrivener of documents or the registered agent for this business entity.

Demand is hereby made for you to remove my name, address and phone number from the filings of this business entity or, in the alternative, place this letter of record, without fee charge, to clarify this error.

Very truly,

David Browder, Jr.
