UNIFORM BUSINESS REPORT FOR E-QUIP INTERNATIONAL

I sent off the attached UBR for my company towards the end of May and it has just been returned to me, opened and then resealed with tape, with no covering letter. I called your department to follow up on this, and was told that this would not have been returned by the Division of Corporations without a covering letter. I must therefore assume that it was tampered with in the mail, causing it to be returned by the US Postal Service.

I am therefore resending it (by certified mail). I apologize for this delay and hope that I won't be penalized for this – this is the first UBR that my company is submitting so I'm fairly anxious about this incident!

I was worried that the UBR was returned as it wasn't preprinted by Division of Corporations. We never received a preprinted copy so I hope this is not the problem. I also hope the fact that I am using a personal check to pay the fee is not a problem. Please contact me ASAP if this is the case.

Sincerely,

Donald Paige
