I, Dr. Herbert Daniel, aged 74 years, a practicing veterinarian, managing member, authorized agent of the Central Florida Veterinary practice LLC., and residing at 1625 Glenwick Dr, Windermere FL, 34786 solemnly affirm and state as follows:

On 10/12/2023 I received a mail from the department that some changes were made in the corporate annual report and asked me to verify that I made those changes. I verified and found that all the addresses were changed fraudulently by someone to a virtual office in Boca Raton. I immediately called the department @8:29 am on 10/13/23. The lady on the phone, I forgot her name, asked me to change the addresses to the correct addresses. I did it and paid the fees \$55. As of now the correct addresses are not changed. Though it is claimed that changes will be made in minutes if filed online, the changes made by the fraud came into effect immediately on 10/12/23, whereas the corrections made by me on 10/13/23 as per your advice are still not posted.

Dated this 18th day of October 2023.

Herbert Daniel, MVSc,
