To Whom it may concern,

A few minutes ago I completed a phone conversation with a gentleman in your office and he suggested that I write to you.

I awoke this morning with the express purpose of doing paperwork. One of my tasks on my to do list was to file my UBR's for my three Florida Entities, Sundancer Marine, Inc., Rising Sun Fisheries, Inc., and Fisher's Seafood Market, LLC., as I knew the May 15th deadline was approaching.

You can imagine my horror when I read that the deadline was May 1st, Not the 15th, and that there is a subsequent penalty.

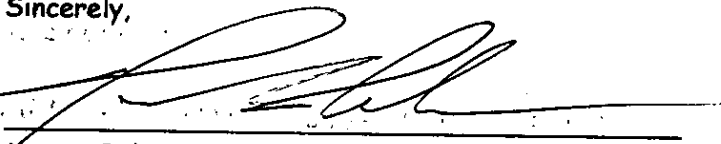

I received my UBR's sometime in February, just as my 13 month old son was admitted to All Children's Hospital for an emergency abdominal procedure to correct a birth anomaly effecting his digestive tract. We were in the hospital 24 hrs a day for ten days, and I was coming home for an hour or so a day to pay bills and do filing. When I received the UBR's I filed them under "to Do for May, and put in my mind a due date of May 15th.

As a result of my son's hospitalization and problems with the insurance company, and a month long federally mandated closure of the grouper fishery from Feb 15~ March 15th, my financial state was grim and I was holding off sending in the filing fees until May. I knew as the fish started coming again finances would ease.

I made a mistake. It is an honest mistake. I plead for some leniency considering my mitigating circumstances.

Thank you for your consideration,

Sincerely,

Martin Fisher, President 100% owner of all 3 entities
