Gentlemen:

Enclosed is my Uniform Business Report for this entity which has been totally inactive since its inception. Edcom LLC, the entity described here, should not be confused with my sole proprietorship "Hypnosis Helps/Edcom Associates". Edcom LLC was a well-intentioned but aborted attempt to honor my verbal commitment to work with a neighbor on whom I had to foreclose. The idea was to protect myself and family from any questionable behavior or previous business dealings of the neighbor's with which I was unaware. Unfortunately, (or perhaps, fortunately for us, looking back) he refused even the most generous terms, and no business was ever conducted or income received. I have filed a dissolution form. No FEIN was ever applied for as no activity ever occurred and there were no employees. Please see that this status is documented as appropriate and advise me if anything else must be done on my part. The money spent on the attorney who drew up the original corporate documents was wasted but was necessary to honor my commitment had it worked out. I can't afford to throw more good money after bad. Hopefully, the fifty dollars enclosed and the dissolution fee will be the last.

Sincerely,

J. Ross Hester, PA-C
