To Whom It May Concern,

I, Shailesh K. Patel, am the sole owner of Dredging and Marine Consultants, LLC. (DMC), a company registered with the Florida Department of State, Division of Corporations (Sunbiz), under the document number L02000024010.

I am writing to formally state that I did not authorize any changes to the company's information on Sunbiz, including but not limited to the appointment of any individuals as officers of the company. Specifically, I did not authorize the addition of Tobias Nelsen, who has been incorrectly listed as the Chief Financial Officer (CFO) of DMC or the change of address. I, Shailesh K. Patel, am the only authorized agent for this entity.

The unauthorized changes to the company's registration constitute a serious security breach and a third-degree felony. I am reporting this matter to the appropriate law enforcement authorities and to the Department of State, Division of Corporations.

Please take this statement as formal notification that any changes made to the company's records without my explicit consent are fraudulent and should be considered invalid.

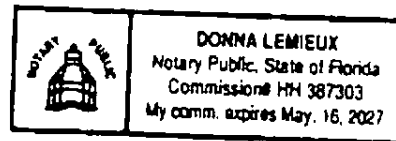

Should you require any further information or documentation to assist with this matter, please do not hesitate to contact me directly at 386-846-4760 or email at spatel@dmces.com

Thank you for your prompt attention to this urgent matter.

Sincerely,

Dredging & Marine Consultants, LLC
