A description of occurrence that resulted in the limited liability company's dissolution pursuant section 608.441, Florida Statutes

GCM – German Cabinetmaker Master LLC recorded a strong decrease in income since 2007. While in 2008 one bigger contract made some income for this year, in 2009 was just a little money earned, so that the comparison “EARNINGS to COST” was close to **zero**.

The situation now:

German Cabinet Maker is now over 6 month without work or contract and not able to exist out of their own power anymore. Right now the economical shape is with no outlook of any income and makes the decision easy, to close the company and file the Articles of Dissolution, before renewals of permits and fees bring debt to the company.

GCM – German Cabinetmaker Master LLC wants to closed latest by the 24th of April in 2010.
