To whom it makes concern,

The present letter is to request acceptance of original payment of \$50.00 for reinstatement. The previous payment was made on March 15, 2003 and according to our records and yours, you received such payment, which give the conclusion that the check was lost in the mail.

I have no proved but a copy of the old check; please have in mind that it was not the Dealer's fault that the payment was not received. The dealer's document number is #L02000033428.

Hope you will consider the case.

Sincerely,

Elberto Blanco
