dissolved and liquidated upon the occurrence of any of the following events:

- (1) The retirement, death, insanity, dissolution or withdrawal of all of the Managing Members.
- (2) The filing of an involuntary Petition in bankruptcy against all of the Managing Members if such petitions are not dismissed within ninety (90) days of the date of filing.
- (3) [Intentionally omitted]

- (11) Except for prior amendment to this section, no act by the Company or its members can avoid that dissolution.

B. Dissolution and Dissolution Avoidance Following the Dissociation of a Member.

- (1) Dissociation Defined. "Dissociation of a member" or "dissociation" occurs when the Company has notice or knowledge of an event that has terminated a member's continued membership in the Company.
- (2) Means of Avoiding Dissolution Following Member Dissociation.
- (a) To avoid dissolution under this Section, the Company must have at least two (2) remaining members. If a dissociation leaves the company with only one (1) remaining member, that member may admit an additional member.
- (b) In addition to any means for avoiding a dissolution provided by statute, dissolution is avoided upon the dissociation of a member if, within ninety (90) days of the dissociation, consent to avoid dissolution is obtained from [all] [a majority in interest] [specified percentage] of the remaining members.
