I received your correspondence on the 29th of August, 2003. After reviewing your comments, the document that were submitted, and s. 608.407 I do not see why my filing was rejected. The contact number that you provided (850-245-6043) does not connect to your office or any answering system. If you could please contact me (352-804-2925) it would be much appreciated.

The only items I could guess to change was to list the primary members and to have the document notarized. If these were not the problems please denote how I have not complied with s. 608.407 and s. 608.415.
