  - a. The company shall indemnify any person who is or was a party, who is threatened to be made a party, to any threatened, pending, or completed action, suit or proceeding, whether civil, criminal, administrative, or investigative, including all appeals, by reason of the fact that he or she is or was a member, managing member, or employee of the company, or is or was serving at the request of the company as a director, trustee, officer, or employee of another limited liability company, corporation, partnership, joint venture, trust, or other enterprise, against any and all expenses (including reasonable attorney's fees) judgments, decrees, fines, penalties, and amounts paid in settlement, which were actually and reasonably incurred by him or her in connection with such action, suit or proceeding, if he or she acted in good faith and in a manner which he or she reasonably incurred by him or her in connection with such action, suit or proceeding, if he or she acted in good faith and in a manner which he or she reasonably believed to be in, or at least not opposed to, the best
