Purposes and Powers

In addition to the powers authorized by the laws of the State of Florida for limited liability companies, the general nature of the business or businesses to be transacted, and which the limited liability company is authorized to transact, shall be as follows:

1. To engage in any activity or business authorized under the law of the State of Florida.
2. In general, to carry on any and all incidental business; to have and exercise all the powers conferred by the laws of the State of Florida; and to do any and all things set forth in these Articles to the same extent as a natural person might or could do.
3. To purchase or otherwise acquire, undertake, carry on, improve, or develop all or any of the business, good will, rights, assets, and liabilities of any person, firm, association, or corporation carrying on any kind of business of a similar nature to that which this limited liability company is authorized to carry on, pursuant to the provisions of these Articles, and to hold, utilize, and in any manner dispose of the rights and property so acquired.
4. To enter into and make all necessary contracts for its business with any person, entity, partnership, association, corporation, domestic or foreign, or of any domestic or foreign state, government, or governmental authority, or of any political or administrative subdivision or department, and to perform and carry out, assign, cancel, or rescind any of such contracts.
5. To exercise all or any of the limited liability company powers; to carry out all or any of the purposes enumerated in these Articles and otherwise granted or permitted by law, while acting as agent, nominee, or attorney-in-fact for any persons or corporations; and to perform any service under contract or otherwise for any corporation, joint stock company, association, partnership, firm, syndicate, individual, or other entity, and in this capacity or under this arrangement to develop, improve, stabilize, strengthen, or extend the property and commercial interest of the property; and to aid, assist, or participate in any lawful enterprise in connection with or incidental to the agency, representation, or service; and to render any other service or assistance it may lawfully do under the laws of the State of Florida, providing for the formation, rights, privileges, and immunities of limited liability companies for profit.
6. To do everything necessary, proper, advisable, or convenient for the accomplishment of any of the purposes, or the attainment of any of the objects, or the furtherance of any of the powers set forth in these Articles, either alone or in association with others, incidental or pertaining to, or going out of, or connected with its business or

powers, provided the same shall not be inconsistent with the laws of the State of Florida.

The several clauses contained in this statement of the general nature of the business or businesses to be transacted shall be construed as both purposes and powers of this limited liability company, and statements contained in each clause shall, except as otherwise expressed, be in no way limited or restricted by reference to or inference from the terms of any other clause. They shall be regarded as independent purposes and powers.

Nothing contained in these Articles shall be deemed or construed as authorizing or permitting, or purporting to authorize or permit, the limited liability company to carry on any business, exercise any power, or do any act which a limited liability company may not, under Florida laws, lawfully carry on, exercise, or do.

ARTICLE V

Exercise of Powers

All limited liability company powers shall be exercised by or under the authority of, and the business and affairs of this limited liability company shall be managed under the direction of, the member or members of this limited liability company.
